Subject: Gulfco Timelines
Date: 01/21/2010 06:03 PM

Here are the updates for the Gulfco schedule alternatives. Microsoft Project wasn't on the workstation computer that has Adobe Writer, so I couldn't create pdf files of the timelines there. I also tried PDF Creator, but the resulting schedule pdf files didn't come out right. So, for now, its just the Microsoft Project files. If anyone can save these as pdf files, please do it for the rest of the team.

Thanks,

Gary Miller, P.E.
